12-8-2015

Dear Global Friends of TMF, peace be with you!

At this time of the birth of our Lord Jesus and the eight and a half year anniversary of TMF' s founding, all board members send you our most heartfelt greetings and gratitude! Because of your encouragement and support over the years, we were able to hold Taiwan Mission 150 Anniversary Celebration, with the Taiwanese Church Fellowship in Greater New York on 9/26/2015. On that day, many churches throughout the eastern part of the U.S., guests and friends, about 400~500 people, joined our celebration at Taiwan Center, and exhibition and feast at Bowne Street Community Church. Please find the video of the celebration program at: <http://taiwanus.net/news/press/2015/201510050222411561.htm>

The new office and prayer garden started serving the people who were weak in body, mind and spirit. Many visitors also brought their blessings to us. The week of 2014 Thanksgiving holiday, the Ping Pong Mission camp held in the House of Hope in Taiwan, cared for teenage inmates from dysfunctional families with Jesus' s love. Through the activities of ping pong playing, songs, shows, and prayers, we brought them warm encouragement and hope. We plan to go next year for the second time. This year we also supported many mission ministries, including summer short mission teams, long term missionaries, and we gave a Taiwan Mission Paper Award. One of the most important US mission organizations, Send International, also sought cooperation with us on Taiwan missions. May the gospel spread wide in our homeland Taiwan!

This year is a year with great turmoil. May the great Shepherd who brings peace be with you! While we sing Christmas carols, please do not forget to sing consolation songs to comfort the families of victims and others who are suffering. Please keep praying for world peace, for our endeavor to bring the younger generation into TMF, and for our 20 mission ministries! May God care for our beautiful homeland and compatriots.

Merry Christmas and wish you a healthy body, mind and soul. May the blessings from God overflow.

Humbly yours,

President/Rev. Eileen YiYi Chang
